Dear Mrs P.

Thanks for everything

I hope you can understand that I engaged an investigator in attempt to you would like I'd be able to do about Anthony. Alex.

The only way I can make meaningful response to those who write such questions is to try to find as much as I can with both of them do what I can to get them out.

It means a very long day for a trial in 9/61

But I do hope to have both out soon

Hope to be able to keep the price down to about $6,000

Best

Hamilton
